

SELECTED COLLECTION

Metal screens & partitions

Decorative dividers & interior project references

38 selected website references. Start with a style, then confirm your configuration.

Reference images illustrate design possibilities. They are not a complete product catalogue, confirmed stock list or proof of a delivered installation. Specifications, availability and final pricing are agreed for each enquiry.

YOUR NEXT STEP

From your selection to a useful quotation.

Start with the information you already have. Unknown dimensions or quantities can be confirmed as the discussion develops.

01 / SELECT

Note the reference codes you like, or add several designs to your selection on the website.

02 / DESCRIBE

Share your buyer role, destination, intended use and approximate quantity. Add dimensions, finish, hardware and timing when known.

03 / CONFIRM

Review the offered configuration, included components, packing, delivery terms, exclusions and schedule before approving the order.
